

Gravity beyond Einstein: quo vadimus?

TIME	WEDNESDAY	TIME	THURSDAY
9:30 - 10:00	Registration (Higgs Seminar room)	9:30 - 10:30	5 selected short talks by PhD students and early career scientists (10min + 2min Q&A)
10:00 - 11:00	Talk: Theory & Phenomenology (Lucas Lombriser)	10:30 - 11:00	Coffee break
11:00 - 11:30	Coffee break	11:00 - 12:00	5 selected short talks by PhD students and early career scientists (10min + 2min Q&A)
11:30 - 13:00	Discussion: Theory & phenomenology (Tessa Baker)	12:00 - 13:00	Lunch
13:00 - 14:00	Lunch	13:00 - 14:30	Talk: Simulations (Christian Arnold)
14:00 - 15:00	Talk: Observations and tests of gravity (Andy Taylor)	14:30 - 15:00	Coffee break
15:00 - 15:30	Coffee break	15:00 - 16:30	Discussion: Simulations (Baojiu Li & Hans Winther)
15:30 - 17:00	Discussion: Data and tests of gravity (Catherine Heymans & Clare Burrage)	16:30 - 16:45	Concluding remarks and summary
